News and Notices

- The Music Junction project this year enabled Bancroft's musicians from a range of age groups to work with, and have coaching from, members of the London Chamber Orchestra. The Trumpet Quartet and the Clarinet and String Trio had some 'side by side' coaching from professional players and they also performed in the concert held at Bancroft's last Thursday (17 May). Some of our younger orchestral players also performed pieces with the LCO including a wonderful performance of *Libertango* by Piazzolla. The evening ended with a very moving premiere of Ollie Howell's piece written especially for the Music Junction project.
- Well done to our Thirds and Removes on their Junior Maths Challenge results. An extremely impressive 83% of the participants achieved at least a Bronze Certificate. Special mention should go to Akash Siva (3E) for achieving Best in Year and Shivan Aggarwal (RS) for achieving Best in School. Both will take part in the Olympiad stage along with Zaki Lodhi (RS) and Yasmin El-Khamlichi (RE).
- On 18 May, Anna George of Water Aid came to visit the school and presented a talk to North House pupils in their assembly on the work that Water Aid does to help around the world to improve the access to clean water in communities that would otherwise have none. In order to help promote the valuable work that Water Aid does, 3Nb felt that they would raise money for the cause by walking an 8 mile Sponsored Walk through Epping Forest. They presented Water Aid with a cheque for £1000. Well done, 3Nb!
