SCHOLARSHIPS & AWARDS

Competition for scholarships and awards is high. There is no separate examination for those candidates wishing to be considered for scholarships and awards. School reports and interviews are a vital part of the selection process.

Please note that those who apply for **scholarships only** (including **Means Tested Awards**) will **not** be considered for full fee paying places, even if their performance in the examination is good enough to have earned them a place in the School. If you wish your child to be considered for a fee-paying place in the event that they are not awarded a Scholarship or Award, you should also place a tick in the fee-paying box (Box A).

DRAPERS’ SCHOLARSHIPS

Drapers’ Scholarships are awarded for academic distinction in the entrance examination and at interview, without reference to parental income. A Drapers’ Scholarships may cover up to one-tenth, one-quarter, one-third or one-half of the cost of the School fee. The total value of all Scholarships awarded will be six times the full fee. Two Scholarships may be awarded as Music Scholarships.

MEANS TESTED AWARDS

Means Tested Awards (including Francis Bancroft & Foundation Scholarships also known as Bursaries) will be awarded to candidates who perform well in the entrance examination and at interview, and where parents show financial need. Parents will be asked each year to complete a confidential Financial Disclosure Form (FDF) from which the value of the Means Tested Award will be assessed. The value of a Means Tested Award may be up to the full School fee.
