## BACKGROUND

### The School

Bancroft's School was founded by the Drapers' Company in 1737 on the Mile End Road as a day-school for local boys from a diverse range of backgrounds; the School has come a long way geographically and institutionally since then but remains committed to pupils from a wide range of backgrounds and has a long tradition of excellence.

# Bancroft's School

We are now a co-educational independent day school for around 1200 pupils from 7 to 18 and an unashamedly inspirational school, devoted to scholarship and intellectual inquiry. We aim to provide an atmosphere in which each child can flourish and we believe that children succeed when they take full advantage of the huge range of different opportunities we provide – whether immersed in academic research, being out on the sports fields, taking part in charitable activities, acting on the stage, playing music and attending some of our numerous clubs and societies, our pupils challenge themselves and learn by taking part wholeheartedly in school life.

We have the highest expectations for every child in the School and we support, encourage and nurture each individual; we want our pupils to enjoy life to the full, make enduring friendships and grow up in a friendly, safe but challenging environment.

At Bancroft's we continually strive to ensure that all our pupils leave here with the confidence, self-awareness and knowledge to thrive in the world beyond, as well as taking with them an awareness of others and an abiding curiosity about the world.

Bancroft's has a selective 5 or 6 form entry at 11+, with just under half the pupils coming from the Preparatory School. The school uses its own entrance exam and admits boys and girls in equal proportions. There is a further small entry at 16+, and most pupils stay into the Sixth Form. Public examination results are very strong and place Bancroft's among the top co-educational schools in the country.

In 2018, nearly 70% of all A level examinations taken by Bancroftians were graded at A\* or A. With the new grade 9 representing the very top level of the A\* band, we were pleased that overall 41.1% of GCSEs examined under the reformed system were awarded a 9. A very commendable 98.3% of all exams were graded 9-5 or A\*-B, well in line with previous years' results.

*Bancroft's is a forward-looking, modern school; a centre of excellence for the twenty-first century.*
