News

- Anaya Patel, Shanuga Rubaraj, Juliet Wong and Sadiyah Salim took part in the regional final of the French and German Translation Bee at Dulwich College where they competed against 90 students from other schools. Although they did not make it through to the national final, they must be highly commended for competing against mostly Year 9 students. Very well done to our Remove girls!
- Today every L4 pupil was given the opportunity of attending workshops in three out of ten different careers path choices. They attended three 90-minute sessions run by Professional Training Consultants from Inside Knowledge on their choices. The consultants running the workshops all had many years of 'hands on' experience in their particular field and told the pupils all they wanted to know, through interactive sessions, including role-play situations. These workshops gave pupils the chance to discover what it is really like to work in the City & Financial Markets, be involved in Creative Media Production or work in the Life Sciences, as well as many more choices. Inside Knowledge's Career 'Taster' workshops provide a unique opportunity to obtain in-depth insight into a chosen career. We hope that every L4th pupil benefitted from attending these workshops and that they will use the insight gained from them when having to make subject and careers choices later on in their school careers.

The full list of choices was City & Financial Markets; Business and Management; Journalism; Sports Science & Fitness; Life Science; Creative Media Production; Law; Medicine; Performing Arts. Unfortunately, the planned Engineering workshops had to be cancelled due to illness, but this will be offered later.

Sports Results and News

Tennis

The tennis players carried on battling against the weather as much as their opposition last week and the Remove girls deserve high praise for getting on with their Inter-House tennis in such good spirit; North House emerged as winners of the event for the second year in a row. The weather scuppered two mid-week fixtures but by Friday the sun had returned for the 3rds v Prep tennis fixture. The top point scorers in the Prep were Lois Dawney & Rani Chadda (P2), Sakina Poernomo & Avantica Arora (P1), and Esha Cross & Julia Boots (P1); and in the 3rds the top three pairs were Anna Nevolina & Aleena Vesamia, Olive Andrews & Aatuthi Jeyakumar, and Safa Alli & Divya Minhas. The boys' Inter-Year Doubles Championship saw 19 pairs competing for the trophy and, in a terrific final full of fast volley exchanges, Alex Hancock & Freddy Glyn (3rds) were narrowly beaten by Krishan Parmar & Kieran Petrie (L4) 15-12. The week ended with the U12/U13/U14/U15 girls taking on Forest and securing a 23-10 overall match win.

Athletics

Well done to all pupils on a very successful (indoor) Sports Day at the Lee Valley Athletics Centre last week. The overall winners of the year groups were as follows: Thirds, School; Removes, North; L4, West; U4, West; Seniors, North. It was a very close call, but when all the scores were added together, West House were the overall winning house.

Congratulations to the L4 girls' athletics squad who won the District Athletics on Tuesday 11 June. Special mention to Charlotte Seaton, Sienna Bhumbra and Maisy Silverstone who all came first in their respective events. Our 3rds girl's squad came second, despite some outstanding first place finishes from Maia Fisher, Deeya Arora, Izzy Worwood, Lara Whalley, Imaan Hussain and Sukhi Singh. In light of this, these girls have been selected to represent Redbridge in the Essex Schools competition on Wednesday 3 July, good luck. The L4 boys also came in a respectable second place overall.

The Removes and L4 boys also competed at the Lee Valley Outdoor Schools Cup on Wednesday and finished 33rd out of 56 school.

Well done to all in a very busy week of athletics.
