Introduction

The Background:

Bancroft's School is an HMC co-educational school for approximately 1100 pupils aged 7-18. Founded by the Drapers' Company in 1737, as a result of a bequest from Francis Bancroft, the School still maintains its historic links with the City, combining the best of traditional values with innovative practices.

The School moved to its present site at Woodford Wells in 1889. The fine Victorian quad was designed by Sir Arthur Blomfield and provides a dining hall, chapel, library and classrooms. There have been many additions to the original buildings over the years, which have ensured that Bancroft's has first rate facilities, including a swimming pool and sports' hall, on site. Bancroft's became fully coeducational in 1979. In 1990 a Preparatory School was opened, providing education for children aged 7-11.

The School is committed to providing excellent value for money, as well as offering scholarships and bursaries to those who could not otherwise attend the School.

The Bancroft's Aim

To provide a transformative experience for every child.

The School's Values

Our education is based on six core values: Curiosity, Kindness, Integrity, Courage, Balance and Excellence. We think these values are essential to the wellbeing of every child.

- **Curiosity:** We want our pupils to take delight in the possibilities that the world has to offer and to develop an abiding curiosity about the world; to explore their imaginative and creative potential and to take pleasure in self-expression.
- **Kindness:** We want Bancroft's pupils to be kind, to have integrity and the courage to pursue and protect what is good; to make

wise decisions, based on compassion and empathy.

- **Integrity:** We want our pupils to learn to understand themselves and others and develop a clear moral grounding for their lives.
- **Courage:** We want our pupils to show courage and a spirit of adventure in all aspects of their learning; to confront challenges and try to overcome them.
- **Balance:** We want our pupils to learn how to live balanced, healthy, productive and well-regulated lives and to learn to understand the different aspects that combine to create a secure framework for flourishing.
- **Excellence:** We want our pupils to aspire to be the best they might be and to make the most of their talents and abilities; we want our pupils to form realistic and ambitious ideals for the future.

The Sixth Form:

The Sixth Form at Bancroft's is a vibrant, intellectually stimulating and friendly place which benefits from the School's excellent facilities. The school has a strong academic record at A Level (86.3% A*/A/B grades at A-level in 2019) and offers a wide range of extracurricular activities and leadership opportunities to pupils, allowing them to develop outstanding interpersonal skills as well as achieving excellent examination results.

There is a very real sense of being part of a supportive community too, with pupils from an eclectic mix of backgrounds learning to work together.

Sixth Form Admissions

Entry Information and Requirements

Entry to the Sixth Form is on the basis of performance in an entrance examination and at interview. The 16+ entrance examination takes place in November when candidates are in Year 11. Offers are made in December.

Please visit our website www.bancrofts.org for examination dates and closing dates.

Pupils joining our Sixth Form will need to be academically capable and hardworking; they will also need a firm foundation of success at GCSE. In practice they should expect to gain a significant number of 8 or 9 grades in their GCSE subjects. In the Lower Sixth (Year 12) pupils start with four subjects or three subjects plus an EPQ or equivalent research pathway.

We are looking for students who are likely to achieve a minimum of **five 8 or 9 grades** at GCSE, and at least a 8 in the subjects they wish to study in the Lower Sixth (Year 12), and who will be academically and socially able to make the most of being in our Sixth Form.

Entrance Exam

The 16+ entrance examination takes place in the November before proposed entry. All applicants will sit a 90 minute problem solving and critical thinking paper as well as two 1 hour exams, from a choice of the following subject areas. These exams should be in subjects the candidate is studying at GCSE Level and intends to take for A level or subjects which relate to those that will be taken.

- Art
- Biology
- Chemistry
- English Literature
- French
- Geography
- German
- History
- Latin

- Mathematics*
- Physics
- Religious Studies
- Spanish

Applicants nominate the two subject areas on which they would like to be examined by indicating their choices on the application form.

*Candidates wanting to take Mathematics A level must sit the Mathematics entrance paper.

Successful candidate wishing to take Maths and Further Maths will be provided with a pack of work to complete over the summer. They will then sit a test on the first day of the academic year, to assess their mathematical ability. Their performance in this test will determine if they will be allowed to study Double Maths

Revision

Specific revision will **not** be required and the questions will be appropriate to all GCSE exam boards and syllabus.

Interviews

Successful candidates will be called back for interview approximately two weeks after the test day. Offers, conditional upon GCSE results and achieving a minimum of five 8 or 9 grades, will then be sent out by post within the following fortnight.

Candidates called for interview for Art will be required to bring with them a portfolio showing their recent work.

Candidates called for interview for Drama will be asked to take part in a short audition.

Applications

To apply for a place in the Sixth Form, candidates must complete and submit an application form before the published date of the year before proposed entry

Further information and application forms are available from Mrs Wallis, Admissions Registrar, by telephone on 0208 506 6761 or via this email address: admissions@bancrofts.org

Please note that on receipt of an application, we will contact the candidate's present school for a reference and you may wish to inform them of your application before they hear from us.

Please note that those who apply only for Assisted Places will **not** be considered for full fee-paying places, even if their performance in the examination is good enough to have earned them a place in the School.

Late Applications- i.e. after the Autumn Term

Late applications for Sixth Form entry may be considered; candidates should contact the School with their GCSE exam results in August. We are looking for students who have achieved a minimum of five 8 or 9 grades at GCSE, and at least an 8 in the subjects they wish to study in the Lower Sixth (Year 12), and who will be academically and socially able to make the most of being in our Sixth Form.

Candidates may be invited for interview having taken into account their GCSE exam results; offers may be made subject to receiving a good academic reference from their current school Head, their GCSE grades and space available.

Fee-Paying Places

For candidates who are offered a full fee paying place, the School fees are payable by direct debit in ten equal instalments, starting in August, and is reviewed annually. Fees include tuition, lunch, the use of text and library books, stationery and scientific materials and games. Fees charged by external examination boards are added to the fee account in the relevant years. Please see the School website www.bancrofts.org for details of our current fees.

Admissions Policy

Our full Admissions policy is on the School website:
www.bancrofts.org/admissions/admissions-policy/

Sixth Form Scholarships and Awards for entry September 2021

Bancroft's awards Academic Scholarships, Assisted Places and Music Scholarships in the Sixth Form. Potential scholars should have mainly grade 8 or 9 predictions from their current school in addition to a very positive reference. In assessing potential scholars, we look for academic leadership and intellectual curiosity. We try to distinguish the bright from the well drilled, the inspired from the effective and we aim to uncover flair. Considerable time is taken to ensure that the process is fair.

Candidates who are offered a Scholarship or Assisted Place must also fulfil the entry requirements. These awards continue whilst the pupil maintains their educational potential and abides by the School rules and policies.

Academic Scholarships

These are available to new applicants to the School on the basis of academic distinction in the entrance exam and at interview, without reference to parental income.

There is a small prize (usually a book token) for the award of a Scholarship, but Bancroft's only offers fee-remission on a means-tested basis – these are known as Assisted Places. A pupil may be a recipient of both an Assisted Place and an Academic (or other) Scholarship; eligibility for each is entirely separate.

Assisted Places

Bancroft's is committed to broadening access to the School by offering to eligible parents/guardians financial support with the payment of school fees through the provision of Assisted Places. These Assisted Places are designed to enable boys and girls of high ability from all backgrounds to enjoy a Bancroft's education, where their parents might not otherwise be able to afford the full school fee.

An Assisted Place is a means-tested award and candidates are required to pass the entrance exam to be eligible.

The assessment of the level of Financial Assistance is calculated on a graduated scale after

parents/guardians have submitted a comprehensive confidential statement of their income and assets, on a Financial Disclosure Form (FDF), together with copies of any additional information, confirmations, and supporting documentation, which may be required.

Assisted Places will be awarded once the School's financial assessment criteria has been met; Assisted Places are awarded based on performance in the entrance exam, school reports and an interview.

If you have indicated on the Registration Form your interest for your child to be considered for an Assisted Place, An Initial Assessment of Income Form (IAIF) will be sent to you,

Music Scholarships

There is a prize for the award of a Music Scholarship (free tuition on one or two instruments), but Bancroft's only offers fee-remission for Assisted Places. A pupil may be both a recipient of an Assisted Place and a Music Scholarship, eligibility for each is entirely separate.

A Music Scholar will be expected to make a strong contribution to the music department and the musical life of the School by attending, and performing in, a variety of concerts and musical events; setting a good example to, and encouraging other pupils. They should attend weekly instrumental lessons and ensemble activities and be seen to make good progress on their main instrument. In addition, they will also be a member of one of the School choirs.

Music plays a major part in the life of the School and there are many opportunities for pupils to perform. Concerts are held regularly throughout the year, including an annual visit to the Drapers' Hall in London. Weekly musical groups for senior pupils include: Bancroft's Singers, School Choir, First Orchestra, Bancroft's Band, Concert Band, Flute Choir, String Ensemble, String Quartet, Saxophone Quartet and Bancroft's Jazz Collective.

Music Assessments for the Scholarship take place in the November of the year before proposed entry. The award will be conditional on meeting

the School's minimum entry requirement of five 8 or 9 grades at GCSE, and candidates are expected to be at least Grade 7 in practical skills.

For the audition candidates will be asked to perform two contrasting pieces on their main instrument, to complete some sight reading, aural tests and a short interview. Music that requires an accompaniment must not be performed unaccompanied. Candidates are welcome to bring their own accompanist, but this is not essential.

Music Scholarship candidates must also arrange for Mrs Whitbread, Director of Music, to receive by no later than the published date of the year before entry a report/references from their instrumental teacher and any other relevant information regarding musical events that they have been involved in within the last twelve months. If a candidate requires an accompanist they will also need to send in the music for this.

Please visit our website www.bancrofts.org for examination dates and closing dates.

2019 GCSE Results

66.1% of all GCSEs taken were awarded the top grades of 9 or 8; 84.4% achieved grades 9, 8 or 7 with 99.2% a grade 5 grade or better. (Grades as at 26 September 2019.)

Liverpool	1
Newcastle	1
St Andrew's	1
Sheffield	1
Swansea	1
Royal Veterinary College	1
Westminster	1
Art Foundation Course	1

Important Information

Fees and Charges

The Registration Fee is £125.

A £1000 deposit is payable on acceptance of a place; this sum will be credited to the final account.

The full School fee is reviewed annually; details of the current fee can be found on the School website www.bancrofts.org. It includes tuition, the use of text and library books, stationery and scientific materials and games. Lunches are also included in the fee. Fees charged by external examination boards are added to the fee account in the relevant years.

All former pupils of Bancroft's School, both senior and preparatory departments are Members of the Old Bancroftians' Association. OBA Membership subscriptions are collected each term via the School fees bill; this is currently £9 per term for the Prep School and £12 per term for the Senior School, this pays for lifetime membership

Available extras include tuition in instrumental music, CCF, Scouts, Duke of Edinburgh Award, field trips and optional excursions.

Payment of Fees

School fees are charged in advance, at the beginning of each term, or payable by direct debit in ten equal instalments starting in August. Overdue accounts are subject to a late payment charge. Any questions relating to the payment of fees should be addressed to the Bursar.

School fees cannot be refunded for any term or part of a term for which a pupil is absent through illness, accident or other cause.

Residence

Pupils must normally reside with their parents or legal guardian. We ask that all pupils live close enough to the School to ensure that their welfare is, in the Head's opinion, not put in jeopardy and also to allow them to participate fully in Bancroft's extensive after-school and weekend co-curricular and sporting programmes. Any change in place of residence must be notified immediately to the Head.

Dress

All pupils are expected to abide by the Sixth Form dress code of smart business suits.

Policies and Procedures

Our policies and procedures are available on the School website www.bancrofts.org. These include:

- Safeguarding (Child Protection) Policy
- Curriculum Policy
- Anti-bullying Policy
- Health and Safety Policy
- Behaviour Policy
- Complaints Procedure

Chair – the current Chair of our Governors is Prof P. Prof P Kopelman, MD, FRCP, FFPH. Should you wish to contact him at any stage, please write care of Bancroft's School, 611-627 High Road, Woodford Green, Essex, IG8 ORF, or e-mail: chairman@bancrofts.org

Important Information (cont)

Breakfast

Breakfast is served in the dining servery from 7.45 am to 8.15 am every morning. A range of breakfast items is on sale.

The Library

For those who arrive early, leave late or who simply wish to make use of the facilities, the Library is open and supervised from 8.00 am to 6.00 pm.

Bus Service

We operate a minibus service from Loughton Station to Bancroft's School; this is for the younger year groups and there is, at present, no charge for this.

School Nurse

We have a full time School Nurse who attends to the needs of pupils. Minor injuries/problems are dealt within the surgery. If pupils need to go home School Nurse will contact parents directly. It is therefore vital that details of changes in contact numbers are passed to the School without delay. School Nurse is willing to supervise the administration of medication during the School day should parents wish. Parents must send a written request to School Nurse if any prescribed medicines need to be administered at School and complete the consent form. However, unless it is necessary, we do not encourage individuals to bring medication to School.

Trips and Visits

Bancroft's students have the chance to participate in an extensive range of school trips; some of these form an integral part of the School curriculum, while others offer the chance to develop new skills.

Some examples of curriculum trips are the Modern Languages department taking Sixth Form French students to Nice, several regular trips to Spain for those studying Spanish, as well as to Russia for those studying Russian and/or History.

A-Level geographers have travelled to Iceland and Ecuador. Our Biology department has an organised eco-tour have visited Malaysia. Classical and cultural tours are always popular, with visits to Italy, Berlin and Prague, the USA, India and Greece.

Volunteering trips are also popular. In recent years, these have included two visits to Costa Rica, during which senior students built a classroom for a village school and a subsequent group worked on other community projects. In summer 2018, three groups of students visited Peru, each spending time constructing new shower and toilet facilities for a rural community.

Annual ski trips are arranged for students of different age bands to ski resorts in several European countries. These cater for skiers of all level.

Regular sports tours also take place for senior teams. The major sports of Hockey, Netball, Cricket, and Rugby all tour regularly to long-haul destinations. These have included South Africa, Canada, Malaysia and Singapore, and Barbados.

The Bancroft's Players have performed several times at the Edinburgh Fringe Festival, allowing pupils to experience performing to a wider public and also to explore and enjoy the diverse offerings of this major cultural festival.

Members of our CCF are offered a week's adventurous training every Easter in The Lake District; both the Army and the RAF section run annual summer camps.

We also make use of the School's close proximity to London with regular trips to museums, galleries and theatres organised by many departments.

Co-curricular Activities

Bancroft's offers its pupils a very wide range of exciting co-curricular activities. We hope that there is something for everyone and we encourage all Bancroftians to get involved in a variety of activities to balance the demands and pressures of academic work.

We encourage members of the Sixth Form to set up and lead societies which reflect their own interests. These vary according to the passions of the individual students but might include societies as diverse as Mindfulness, Current Affairs and Theatre Tech.

Sports

All pupils participate in a regular weekly programme of PE and games. The choice for Sixth Formers is a wide one, including climbing, mountain biking, yoga and squash in addition to our major curricular sports. We run a wide co-curricular sporting programme which includes fencing and badminton. School teams are run for all major sports at all levels and teams have a busy programme of fixtures against local schools. They also have enjoyed many successes in regional and national tournaments.

Music

A wide range of orchestra, choirs & ensembles covering all musical genres takes place on a regular basis and we hope that all new pupils will take advantage of the musical opportunities available in the School. In addition, many pupils receive individual lessons from our visiting music staff.

Drama

There are plenty of opportunities to get involved in drama, both on and back stage. We have an ambitious annual School production, for which pupils from year 10 upwards can audition. Recent productions have included *The Winter's Tale*, *Sweeney Todd* and *Chicago*. Each year there is a House Drama competition, for which all houses produce a short play involving all year groups. In addition, pupils may take LAMDA examinations in the Speaking of Verse and Prose up to grade 8 (Gold Medal) with lessons given by visiting staff.

Combined Cadet Force/Duke of Edinburgh's Award Scheme

These activities are available further up the School. Membership of the thriving CCF, which includes both army and air force sections, is an option for L4th (Year 9) upwards; new members of the Sixth Form may also join the CCF. The Duke of Edinburgh's Scheme is available to pupils in the U4th (Year 10) upwards. Bancroft's pupils enjoy great success at Bronze, Silver and Gold levels. New members of the Sixth Form are encouraged to participate in the scheme.

Please see our website www.bancrofts.org for more details of all our co-curricular activities.

Pastoral Care

Bancroft's pastoral system is a tremendous strength of the School. It underpins all that we do, enabling pupils to flourish and make the most of their opportunities. We endeavour to foster a friendly, supportive and caring environment in which each pupil is cherished and nurtured and their individual needs addressed. We aim to make our pastoral care proactive with a focus on wellbeing and the individual.

The House system lies at the heart of our pastoral care with tutors and house staff being key points of contact for pupils and parents throughout their time at School. On a daily basis, the tutor is the first port of call, fostering the academic, extra-curricular and pastoral welfare of each pupil and our Personal, Social and Health Education (PSHE) programme is delivered in house groups. The house staff are supported in their role by the Deputy Head, Pastoral, who is also the Designated Lead for Safeguarding and Child Protection matters.

We recognise that adolescence can be a turbulent time and sometimes a pupil may experience difficulties which require specialist and professional help. Counselling is available in School for those who feel they need it and we will always source help from outside if necessary.

The senior house staff oversee all house activities and junior house staff have specific responsibility for Thirds to Lower Fourths (Years 7-9); together they lead weekly house assemblies during which teachers and pupils share thoughts, celebrate achievements and perform. Sport, drama, music and spoken English competitions between the four Houses promote a friendly rivalry. Each House celebrates its own identity with events such as their family evenings which help bond parents, pupils and staff.

Throughout the school year we run several pastoral evenings to which all parents are invited. The format of such evenings may vary to include talks, workshops and discussion groups. Subjects covered have included: academic pressures; digital technology and teens; striking the balance between the academic and the co-curricular; mental wellbeing.

Activities for Parents

The Parents' Association

The Parents' Association arranges a variety of activities designed to give parents, families, and friends the opportunity to meet socially outside School in addition to raising money for projects within the School. All PA events are publicised via email and in the School Calendar.

The generosity of parents has enabled the PA to invest in many items over the past few years. Such items include a Senior School public address system, sports gazebos, a telescope, books for the Sixth Form library, play equipment and table tennis tables for the Prep School. Newer purchases by the PA include a waterproof large-screen TV for the School swimming pool, visibility jackets for the Prep, two new benches for the Quad and a new Yamaha grand piano.

Annual events include a Summer Ball, Christmas Fayre, Parents v Staff Cricket Match and a Supper Quiz. Other events have included Bollywood Nights, Burns Nights and Comedy Nights. The PA also supports events such as Sports Day and the Carol Service.

Further information about the PA, is available on the School website: www.bancrofts.org/about-us/our-community/parents-association.

The Bancroft's Society

All parents are invited to join our new initiative: The Bancroft's Society. This aims to bring together all the groups of the Bancroft's community: staff, Old Bancroftians, governors, past and present parents. The Society hopes to offer members the opportunity to share information, advice and expertise from various walks of life. It aims to develop a culture of giving back to the community. The Bancroft's Society will allow for networking, mentorship and sharing of ideas. As a body, past and present parents possess an enormous wealth of diverse experience – the Bancroft's Society will give opportunities for them to share this expertise

The Bancroft's Society will also offer opportunities for involvement in many of the School's outreach and partnership projects. In addition the Society hopes to encourage members to contribute to some of our other School projects, for example our sustainability group, bee-keeping, karting and

events such as a recent law presentation held at Queen Mary University Faculty of Law. This was hosted by an OB High Court Judge and was attended by pupils from Bancroft's and also from our partnership cluster schools.

The Bancroft's Society hopes to host and help organise events which will develop inclusivity and will include inviting Society members to School events. The Society is keen to develop further opportunities for its members, for example the planned introduction of a road cycling club and running club; other activities might include gallery or theatre visits.

All parents will be offered the opportunity to join the Bancroft's Society through Bancroft's Connect a new engagement platform for all members of the community to connect with one another.

The Arts Society, Woodford Green

The Arts Society, Woodford Green (Bancroft's) aims to promote an interest in and increased knowledge of decorative and fine arts. They enjoy lectures from well-qualified speakers on a wide variety of topics. Lectures are held on the second Tuesday of the month in the Prep School, during term time; lectures commence at 8.00pm with coffee and wine available from 7.30pm.

Further information about The Arts Society, Woodford Green (Bancroft's), including how to join, is available on the School website at: www.bancrofts.org/about-us/our-community/theartssociety.

The Crofton Singers

New members of all ages are welcome to join the Crofton Singers. The choir has a long association with the School, and meets in the Music Department on Thursday evenings during term time. Their repertoire is varied, including sacred and secular, modern and classical music. They perform locally three or four times a year and have raised thousands of pounds for charity.

For more information, see: www.bancrofts.org/about-us/our-community/the-crofton-singers.

Bancroft's Foundation & The OBA

Bancroft's Foundation

Bancroft's Foundation has been established to provide means tested scholarship support to enable talented pupils to study at Bancroft's regardless of their financial situation.

The School is built on a legacy of philanthropic support. Francis Bancroft's legacy founded a school for boys in Mile End as a charitable institution providing a high quality education open to all, and the tradition of supporting talented pupils regardless of capacity at the School has continued since, through the support of government initiatives, the Francis Bancroft Trust and The Drapers' Company.

However, the sharp decline in government funding with the withdrawal of the Grant Aided and Assisted Places schemes has meant that it is now vital that the School substantially expands its own assisted places programme.

Therefore, when the School celebrated its 275th anniversary, the Bancroft's Foundation was established to help the School significantly increase its portfolio of means tested Assisted Places to enable talented children of all backgrounds to have the opportunity to attend the School and reach their full potential.

To find out more about this exciting initiative, or to make a gift to the Bancroft's Foundation please contact: Susan Day, 020 8506 5714.

The Old Bancroftians' Association (OBA)

A strong Old Bancroftians' Association keeps former pupils in touch with one another and the School. Activities include: an Annual Dinner at the School, various regional dinners and Old Bancroftians' Day. Other Old Bancroftian organisations include: the Cricket Club, Golf Society and Dramatic Society. The Bancroft Rugby Club, many of whose members are former pupils, has a first class ground not far from the School with facilities for rugby football, squash and social entertainment. The OBA publishes regular newsletters, which are available on the OBA website.

Membership of the OBA is open to all former pupils of Bancroft's School. The OBA encourages members worldwide to keep in touch with each other, and to participate in OBA organised events and initiatives.

Parents pay a small termly subscription to the OBA during their son/daughter's career at Bancroft's. As a consequence all former pupils of the School now become members for life of the Old Bancroftians' Association when they leave School.

The Association maintains a strong relationship with Bancroft's School and, where appropriate, provides financial support to pupils and ex-pupils through its associated charities. Old Bancroftians are often involved with the School's extra-curricular activities, in particular in giving career guidance and advice about further education.

The Association runs two charities:

- **The Old Bancroftians' Educational Development Fund**, financed almost entirely by contributions from Old Bancroftians, provides financial support for pupils and Old Bancroftians towards educational opportunities which they might otherwise be unable to afford.
- **The OB Sixth Form Scholarship Fund** provides part scholarships to the School for pupils in the Sixth Form, whose families might not otherwise be able to afford the fees.

How to Find Us

From M25

Leave M25 at Junction 26. Follow signs to Loughton (A121).

At roundabout (Miller & Carter restaurant) take fourth exit to Woodford.

Straight over next roundabout (Robin Hood pub).

Traffic lights - straight on.

Keep travelling along Epping New Road (A104) for several miles until road turns into dual carriageway (High Road, Woodford Green).

At traffic lights turn right, then immediately right.

Parking is available in the front drive in the visitors' spaces.

From M11

Leave M11 at Junction 7.

Motorway splits - take right fork to Woodford.

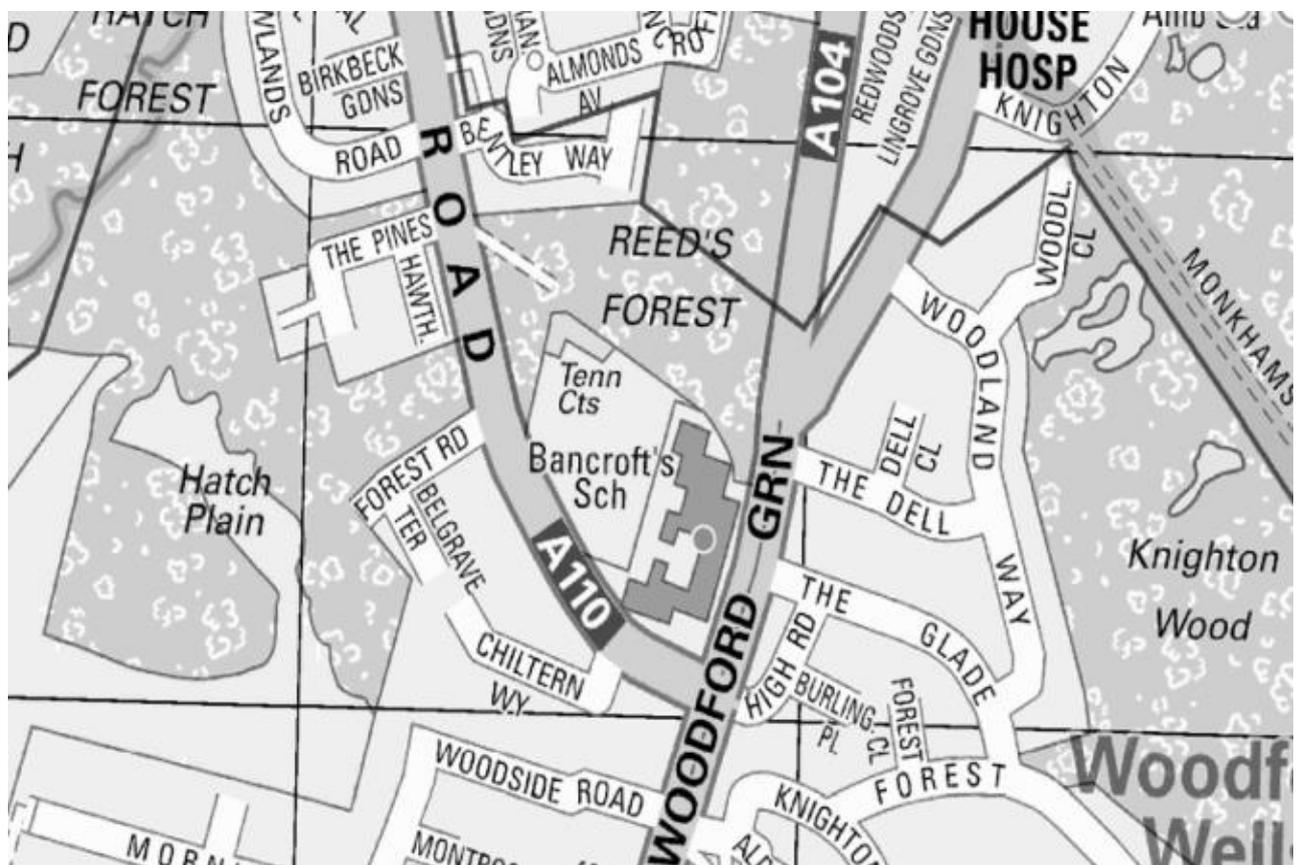

M11 joins the A405 (North Circular). Turn left off A406 and, at roundabout, join road signed Epping A104, to Woodford.

Follow road to angular roundabout, go straight ahead to traffic lights (Castle pub on left).

Go straight on at traffic lights where the road becomes a dual carriageway (High Road, Woodford Green).

At traffic lights at bottom of hill turn left then immediately right.

Parking is available in the front drive in the visitors' spaces.
