Email address, phone number	r or Skype
No account? Create one!	
Can't access your account?	
	Next

3. Please enter your full school email address (<u>username@bancrofts.org</u>) and your network password. Then click the blue 'Sign in' button

	Bancroft's School
UNTO GOD ONLY & HONOUR AND CLORY	Sign in with your school account username@ebancrofts.org Password Sign in Azure Multi-Factor Authentication

- 4. From outside of school you will be prompted to approve the login using the Microsoft Authenticator app on your mobile device.
- 5. You should then be logged in to the cloud hosted Firefly. It looks and works as you expect, and should have all your existing data in place.

Within school

1. Within school you will be automatically logged in to the VLE.

Firefly features

Check out the <u>quick tour</u> to familiarise yourself with Firefly's features.

Apps to use with Firefly

Pupils and staff can also the Firefly for Students app (<u>Apple</u> / <u>Android</u>) for their mobile device. The first time the app is run you will be prompted for a school code. This is **BANCROFTSPREP**. You then login with your username (six digits) and your usual password.

There is also a Parents app available (<u>Apple</u> / <u>Android</u>) which uses the same school code. As a parent you login with your iSams registered email address and the password you created (see above).
