Information for Parents of New Pupils

Schoolblazer is the official uniform supplier to Bancroft's School. It gives parents the convenience of shopping when they choose, and from wherever they are. Their website is designed to be simple to navigate, reducing the amount of data entry and allowing parents to make purchases with the minimum of fuss. They have even eliminated the chore of sewing nametags into the uniform, as this can be done from their warehouse.

When you use Schoolblazer for the first time, you are asked to set up each child with their age and details and then you are requested to measure the child and input these measurements. The site will suggest the garment size, which will fit your child. The vast majority of customers accept this size but you are provided with the main garment dimensions and a comparison of standard sizes so you can choose another size if you wish.

Your parcel can be delivered to any address: perhaps a grandparent's house or a place of work. Parcelforce will attempt to deliver up to three times, but will then hold the parcel at your local Post Office for collection.

The Schoolblazer website uses a secure payments system, which has been audited and approved by the major credit card companies. However, if you are still concerned then orders can be made over the telephone. You can also make a telephone order if you do not have access to the Internet.

Schoolblazer offers a free returns service. When an item is sent to you, a returns form and postage paid label are included within the delivery. Garments can be returned for a replacement or refund within 14 days of receiving the order. This still applies if the garment has been name tagged. Items can be returned through a Post Office.

If you have any further questions, please call their helpline, which is open Monday-Friday 09:00 to 20:00 and Saturday 09:00 to 17:00 (0333 700 0703). You can also e-mail them at customerservices@schoolblazer.com

Although most items of uniform and kit should be purchased from Schoolblazer, there are various items that can be purchased from high street suppliers, as long as they match the stipulated school style. These items are clearly marked on the uniform list.

There is a small shop on the Bancroft's School site which holds core garments for pupils to try on and emergency items (such as ties) are available for purchase. If you have any queries with regards to uniform, please email Mrs Karen Maddock at karen.maddock@bancrofts.org

Uniform Policy

School Uniform

The pupils are the public face of the School, and are responsible in a large part for the reputation that the School has in the local area. The existence of a distinctive uniform is a definite sign of belonging together and we believe it is important in building and sustaining our School community. It also helps to foster a smart appearance and a more purposeful attitude throughout the School.

Aims and Objectives

- a) To promote a sense of pride in the School
- b) To engender a sense of community and belonging towards the School
- c) Is practical to have a uniform that is smart and distinctive

We ask Bancroft's parents to co-operate in ensuring that their sons and daughters come to school in the correct uniform.
